

**Saint Jerome School
Extended Day Program
2011 - 2012**

Dear Families,

Welcome to the Saint Jerome School Extended Day Program. We are so glad to have you and your families with us.

Please feel free to drop in at any time or send a note with any questions or concerns.

The people who will be staffing the program will do so on a rotating basis so you will see different faces on different days but be assured every staff member has been part of the planning and is thoroughly qualified and prepared. The majority of the staff actually teach in our school every day!

Please remember that our daily activities are varied and may take us outdoors so clothing should be appropriate for the season. Also, please send in a snack/drink your child might enjoy. If there are any foods your child is allergic to or if there are foods you would prefer your child not have, please let us know right away as cooking and Friday movie day treats are frequent.

Students in Grades 1-8 will be part of the Homework Club at no additional cost. This hour gives students the chance to complete their homework in a quiet setting and then return to the Extended Day room for all the fun that has been prepared for the day or to enjoy chess, checkers, Legos or other activities available in the room.

There are two programs available: Regular and Flex Family. We would be happy to discuss these options with you.

Also, a reminder on timely pick-ups. Our program will run until 5:45 each day as noted. It is fair to say that our staff should be able to end their day at that time. We know you will make every effort to be punctual.

Please let me know if there are any additional questions.

We look forward to a great year!
